

## VONAGE TERMS OF USE

Your use of Vonage products and services, including those offered through the EZLynx Connect portal, are subject to Vonage's terms and conditions found at <https://www.vonage.com/business/legal-policy-center/business-cloud/tos/>.

Additionally, by using Vonage products and services in connection with your use of the EZLynx One Platform®, you consent to allow Webcetera, L.P. ("**EZLynx**") to access and use your data as necessary to deliver you the services you have purchased. EZLynx does not offer and fully disclaims any and all representations, warranties, or other guarantees, express or implied, related to Vonage products and services. All use thereof are at the user's risk. You agree to indemnify and hold EZLynx harmless for any losses, damages, or claims arising out of your use of the Vonage products and services.

Subject to payment of an additional storage fee, you may store recordings from Vonage in the EZLynx Platform. You acknowledge that directing EZLynx to store recording data from Vonage inside the EZLynx Platform will result in the data being stored only in the Platform and not in Vonage, and you agree to release EZLynx from responsibility for any Losses arising out of the transfer of such data from Vonage to the Platform.
